

**Public health certificate for the importation of fish, crustaceans, molluscs,  
sea urchins and products thereof**

Export country:..... Certificate Nr. ....

Issuing authority<sup>1)</sup>: .....

### I. Identification of the product

☐ <sup>2)</sup> Fishery product ☐ <sup>2)</sup> Aquaculture product

Specific denomination: .....

Scientific name: .....

State or type of processing<sup>3)</sup>: .....

Species: .....

Nature of packaging: .....

Packaging date: .....

Labeling: .....

Net weight: .....

Number of packages: .....

Requisite storage and transport temperature (°C): .....

### II. Origin of the product

Name(s) and official approval/registration number(s) of approved establishment(s), factory vessel(s), cold store(s) or freezer vessel(s) registered for export to the European Community:

.....

.....

.....

.....

Name and address of dispatcher:

.....

.....

Place of dispatch: .....

### III. Destination of the product

Country of destination: **SWITZERLAND**

Name and address of consignee: .....

Name and address of the importer: .....

.....

.....

Means of transport<sup>4)</sup> .....

### IV. Health attestation:

**The responsible official hereby certifies that the products specified above:**

1. were caught and handled on board vessels under conditions at least equivalent to those laid down in Directive 92/48/EEC;
2. were landed, handled and were appropriately packaged, prepared, processed, frozen, thawed and hygienically stored under conditions at least equivalent to those laid down in Chapters II, III and IV of the Annex to Directive 91/493/EEC;
